 To join the women of the Goodenough Community 's cultural program for the 2011 Women's Weekend,
April 15 to 17:

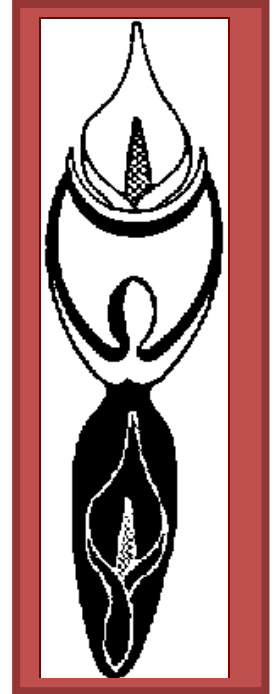

Friends Creating Together

- Creating a rich intergenerational experience of women together
- Creating as an individual in the company of others
- Creating together an experience that serves your own life

From the Goodenough Community Women's Leadership Team:

The women's cultural program encourages and supports self-development, helps women reach a greater connection with their inner source of feminine strength, celebrates who we are as women, and improves relationships with partners, family members, friends, and self.

The weekend workshop will take place at the **Sahale Learning Center**, near Belfair, Washington. The natural setting of Sahale invites you to periods of relaxation and reflection as well as invigorating activity. Our program will start with **dinner from 6:30 to 7:30 p.m. Friday evening**, and our weekend will formally end at **3 p.m. on Sunday**. Cost for the weekend is \$200; limited scholarships are available.
